This attractive two-story Delafield model offers an open concept living area with a large great room, main floor flex room, and dining room. Features, such as the kitchen/dinette with snack bar, 4 bedrooms, 2.5 bathrooms, and main floor laundry, make this home desirable and well worth the price! Upgrades include crown molding at the kitchen cabinets, granite counters and an upgraded sink in the kitchen, and upgraded flooring. The partially exposed full basement offers space for a future Rec. Room and rough in plumbing is in place for a future bathroom. The oversized garage solves all your storage needs.
