The gorgeous classic “farmhouse” exterior styling on this Adams will make this feel like HOME from first glance! This open flow of the main floor features fixture and finish upgrades, a beautiful fireplace in the great room, main floor office/study, and a spacious kitchen with quartz countertops and a huge walk in pantry! Upstairs, the master suite is complete with a cathedral ceiling, walk in closet, and double vanity sinks. The 3 car garage and egress window/bath rough in the unfinished basement offers plenty of space, as well as future expansion possibilities. Beautiful Tyranena Point subdivision is complete with a rural and relaxing atmosphere, but just a short walk from Sandy Beach and the Glacial Drumlin Trail... all the best of both worlds! **Give Stephanie Will a call for more information.**
